MEMORANDUM FOR THE RECORD

SUBJECT: Concurrence in Amendment No. 3 to Contract No. SP-1915 with Lockheed Aircraft Corporation, Burbank, California, OARFISH-1, Project GUSTO - Section C

1. This memorandum contains a recommendation submitted for approval of the Director of Central Intelligence. Such recommendation is set forth in Paragraph 5.

2. Section C of Contract No. SP-1915 allocated funds for performance of GUSTO work. Sections A and B cover performance of work for the CHALICE and [] Projects. Work under Sections A and B has been completed and the final price will soon be negotiated for that portion. The Contractor proposes a final price of \$2,093,000.00 for Sections A and B or an overrun of \$151,965.00. If this overrun or any portions thereof is acceptable, Section C funds will be adjusted to cover this deficiency in Sections A and B.

3. This Amendment No. 3 allocates additional funds in the amount of \$200,000.00 for Section C to cover certain GUSTO work. This amount should be obligated against FY 1959 GUSTO funds. The total consideration of this contract, including this obligation, is \$3,265,213.00 which is allocated by Sections as follows:

Section A	-	\$ 680,935
Section B	-	1,260,100
Section C	-	1,324,178
Total		\$3,265,213

By concurrence to this memorandum the Comptroller signifies that sufficient funds are available for this additional obligation.

4. Certification of funds for this contract will be handled under the procedure approved by the Director of Central Intelligence on 15 December 1956 which, in effect, results in all 10(b) expenses involving issuance of Treasury Checks being accumulated in a separate account within the Finance Division. The amounts in this account will be periodically scheduled for certification of the vouchers by the Director. This procedure eliminates the necessity for a separate certification of authority under Section 10(b) of Public Law 110, 81st Congress, for each contract.
